WELCOME

Welcome to guest speaker Alice Josaf, PP Brenton Oates, Godfrey Sibanda and honorary members Licaria Scheepers, Suzette Coat and Lynne Mack.

PRESIDENT'S REPORT

This month started with a mother describing the impact on her family, when her young son had a seizure. Amazingly, Elizabeth found the personal strength and resilience to deal with this – and told us about the valuable support of the Epilepsy Centre.

This week, we learnt about the poor conditions of orphaned and vulnerable children in Zimbabwe – and how our friend Alice witnessed first-hand the valuable support being provided through Aid For Africa Down Under (AFADU) and our Rotary Club.

All these young people are bright, talented, smiling – and extremely grateful for the care and support they receive.

In between, our club held a bumper Mother's Day Market. Thank you to everyone who contributed, including the beautiful Mother's Day Raffle and the first outing for our coin slider, collecting "**Coins For Good Causes**".

The Magill Sunrise Market proceeds are being directed to the Epilepsy Centre. Stay tuned for that announcement.

And join us if you need a reminder about how good life really is when your part of a great community group.

Cheers
Lindsay

A CHAT MORNING

News and Highlights from Magill Sunrise Rotary – and a little bit of a Stop, Start and Continue assessment.

Whilst being active and busy, there also needs to be some time given to review what our Club is doing.

So, this meeting will be an opportunity to reflect on what we should **Start** doing, what we should **Stop** doing, and what we should **Continue** doing.

Hear the news – and then provide some feedback.

GUEST SPEAKER – ALICE JOSAF

Alice Josaf shared stories and the emotions of her trip to Zimbabwe.

She told us of her five-hour bumpy road trip to get to the village. It is a good thing she is a physiotherapist.

Alice met some of the past recipients of the education provided through Lirhanzo Children's Village, the Guardian Mothers who care so deeply for the children and Exelle, who founded the Village programs.

They were also treated to marvellous celebrations from the children to show their appreciation – with singing, dancing, beautiful food and presents.

It was clear that the joy, the colour, the smiles and the gratitude of all the children and Village residents will be a lasting memory (or last until Alice can return).

Alice showed us photos of the teachers' accommodation so we could see what our donation of two teachers' rooms would look like when built.

She also told us about the Chikombedzi Mission Hospital where she spent some time and how basic and under funded it was. In comparison we have nothing to complain about with our health system.

Stay tuned for more reports on Alice's support for the orphanage, school and hospital – and how our Rotary Club will continue to provide assistance for their programs.

BUNNINGS MOTHER'S DAY FAMILY NIGHT – 9MAY

Our club took part in the Bunnings Family Night by holding a stall and giving out a free raffle. Congratulations Dana on winning our bouquet.

RCMS MOTHER'S DAY MARKET

Thank you to everyone who came to our Mother's Day Market. Your support this month will go to helping eliminate **EPILEPSY**. See us next time on Sunday 9th June along with the Repair Café.

CLUB'S 28th BIRTHDAY

On the 14th of May 1996 the Rotary Club of Magill Sunrise was chartered and so our journey began to "provide service to others, promote integrity, and advance world understanding, goodwill, and peace through fellowship of business, professional, and community leaders".

This morning, we celebrated 28 years of not only being a Rotary Club, but of service to the community, both internationally and in Australia.

Proudly we continue to serve.

Extract from Pauline Hill's 20th Anniversary Speech

In 1995 the Rotary Club of Morialta turned 10 years old and as part of celebrating this milestone it was decided to form a breakfast Rotary Club which would share the territory of both Morialta and Campbelltown. Norm O'Flaherty and Trevor Stirling were put in charge of forming this club.

The first meetings were conducted in the cafeteria of the University of SA. Breakfast was sometimes a hit and miss affair.

We were the first club in the District not to toast the Queen for which we received quite a bit of flack. I think we were the first in the district to charter with both men and women and we were the youngest club in the district - with an average age of 27.5 years.

Our first venue was Skye Cellars where we spent two happy years and cooked our own breakfast.

As a new club, the coffers were empty, so we introduced "Leopold", a ceramic clown which collected our spare coins. This funded our first international project with all the money retrieved from "Leopold" being sent to Cambodia to put a student through university.

In our first year we also raised some money from a football competition, wine tasting and manning a BBQ.

We also agreed to rejuvenate what is now known as Nightingale Reserve to create a park with an interpretive trail. This became a major focus for many years to come and also became a community project involving council, scouts, guides, local schools and residents.

Then things really started to move in our second year.

ICE BREAKER

The Malinauskas Labor Government has appointed the former Chief Justice of the High Court to conduct a legal examination into banning children under the age of 14 from having social media accounts.

How do you feel about this?

Do you think they are "damaging platforms" for the under 14's as is being reported?

RESPONSES:

Brenton as a former teacher shared:

Cyber bullying is now so bad in schools. Five years ago, there were no real issues, but today it's impossible to stop because it is so big.

It's a good idea removing phones from kids while they are at school, but they can still text & email from their laptops, so it doesn't stop the bullying altogether.

Three kids were recently suspended from school for horrible bullying. Social media should be banned for kids.

Simon shared that you could enforce the ban which is being proposed at a national level by doing things that require you to confirm that they are of a certain age eg Parents needing to verify.

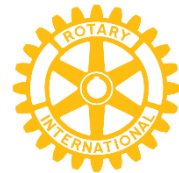

Graham shared that parents can be the problem too by putting the age up themselves.

Pauline thought the parents are not helping because they are obviously purchasing the phones to be given to young children.

QUIZ QUESTION

Why is Rotary called Rotary?

ANSWER:

The members of the very first Rotary Club in 1905 chose the name Rotary to describe the practice of meeting in rotation at the members' various places of business. Originally formed for fellowship, the first Rotary club quickly evolved to use the talents and resources of its members to serve the community.
