

Lindsay Uninterrupted

**VOLUME 27 | ISSUE 33,
1253 | 04JUNE2024**

WELCOME

Welcome to Kate, Harleen and Madeline (students from Mary MacKillop College) accompanied by Josie Spizzo (Teacher) and Matthew (Kate's father). Sharyn Calf and Leanne Gaskin from the Epilepsy Centre. Molly Sweeney (past-RYLA student) and Suzette Coat (honorary member).

PRESIDENT'S REPORT

CHOICES. It has been said we only have three choices in life: "Give up, give in, or give it all you've got."

Today, we heard about three different choices.

Some choices are easy, such as having an extra piece of bacon at our Rotary club breakfast.

Some choices are major, such as the selection of a field of study and career.

We spend almost one-third of our life at work, so it was great to hear from three students today about their recent Santos Science Experience program. The benefits of meeting industry professionals and engaging in new STEM activities, has clearly enhanced their passion for STEM and provided a better understanding about future opportunities to share at their school.

Some choices we would rather avoid, such as how to respond when your child or a close family member realises they will be living with epilepsy.

Every 33 minutes someone's life is turned upside down by epilepsy. Fortunately, there are people at the Epilepsy Centre that provide incredible support and guidance to families in this situation.

So, it was an absolute pleasure to know that our Rotary Club has:

- [a] sponsored the three students to the Science Experience program; and
- [b] donated a sensor mat and other equipment to support families dealing with epilepsy.

Yes. Life is full of choices. And ...

Perhaps the best choice you could make is to join us in **Rotary** – and help make a positive difference in our community.

DIARY NOTES

JUNE MEETINGS

4th, 11th & 18th

First three Tuesdays of the month

NEXT CLUB MEETING

1254

7am, 11th June 2024

Heccies,

31 Fisher St, Magill

Club contact: Lindsay Davis

0415 453 101

Guest Speaker:

MEREDITH BURGESS

PRESIDENT OF MAGILL RSL

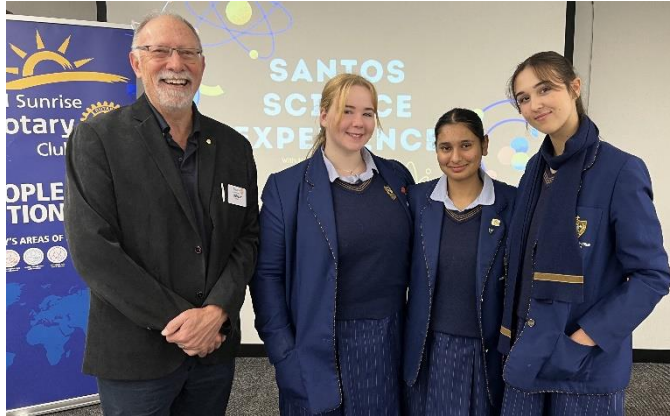

Meredith will give us an update on the happenings at the local Magill RSL, and she will be joined by Tara Belton, CEO of RSL SA/NT, who will give an insight into the RSL Outreach Program.

Come along and join us.

GUEST SPEAKERS

We were blessed with an abundance of interesting guest speakers at this week's meeting.

First up Harleen, Madeline and Kate from Mary MacKillop College spoke of their three-day Santos Science Experience held at Adelaide University.

Topics like engineering, insects, minerals, matchstick rockets, environment, Waite Campus, wine making, infectious diseases, DNA of Strawberries, were discussed. If

these three days didn't whet their STEM appetite, then nothing will.

Best of luck girls with whatever branch of science you decide on in the future.

Next, Sharon and Leanne from the Epilepsy Centre SA and NT spoke about their association. Yes, we had heard some of their presentation just a few weeks earlier, but they did bring along some equipment that has been a god-send to families with a member/s with epilepsy; items like the seizure mat and the anti-suffocation pillow which have enabled parents to sleep soundly, knowing that if a child has a seizure this equipment will prevent a death.

The ladies also explained how they can spend time with families explaining issues that a medical specialist cannot afford to give. Our Club was able to fund these items by a \$1,200 donation to the Epilepsy Centre with money raised from our market and Coin Slider.

Thanks Sharon and Leanne.

ICE BREAKER

What is the greatest scientific or medical discovery of all time?

RESPONSES:

Genome editing - game changer for understanding the mechanisms underlying how biological systems work

RNA Sequencing - has opened the door for identifying critical molecular markers

Penicillin

The molecular structure of DNA - has changed the world of forensic science

Electricity, Painkillers and anaesthetic, Vaccines, X-rays

Commercial Radio

Hand washing

Our ability for teamwork so that scientific discoveries can be shared by all

QUIZ QUESTION

When did Rotary International launch its global effort to immunize the world's children against Polio?

ANSWER:

Rotary launched PolioPlus in 1985, followed by the establishment of the Global Polio Rotary launched PolioPlus Eradication Initiative in 1988.

In the 1980's polio paralysed more than 1,000 children worldwide every day (more than 350,000 people a year).

Since then, more than 2.5 billion children have been immunized against polio; wild poliovirus continues to circulate in only two countries and the global incidence of polio cases has decreased by 99.99%

Rotary has contributed more than \$2 billion and countless volunteer hours to immunize more than three billion children around the world

PRESIDENT'S THOUGHT FOR THE DAY

"Nothing in life is to be feared, it is only to be understood."

~Marie Curie,

Physicist, chemist and winner of two Nobel Prizes known for discovering radioactivity and her huge contribution to finding treatments for cancer. She was the first woman to win a Nobel Prize, the first person to win a Nobel Prize twice, and the only person to win a Nobel Prize in two scientific fields

Rotary Club of Unley

Great Prizes Wine wall

This is your chance to show off your knowledge and have fun in a friendly competition.

QUIZ NIGHT
 SATURDAY 29TH JUNE @7:00 PM
 BYO DRINKS AND NIBBLES

\$20 a person
 \$180 a table of 10
 Students \$10

DAD JOKES FOR THE BENEFIT OF OUR SCIENCE STUDENTS

A neutron walks into a bar and asks the barman "how much is it for a drink?".
 The barman says "for you, no charge".

Two atoms were walking along. One of them says: "Oh no I think I've lost an electron!"
 "Are you sure?"
 "Yes, I'm positive!"

Why can you never trust atoms?
 They make up everything!

A photon checks into a hotel and is asked if he needs any help with his luggage.
 The photon says "No thanks, I'm travelling light".

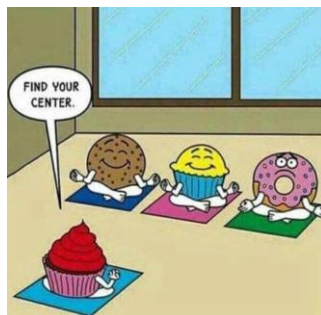

There are two types of people in the world. Those who can extrapolate from incomplete data.

There are 10 types of people in the world. Those who understand binary and those who don't.

I read a book on anti-gravity.
 I couldn't put it down!

A group of protestors in front of a physics lab:
 "What do we want?"
 "Time travel!"
 "When do we want it?"
 "Irrelevant!".

DV SAFE PHONES

DV Safe Phones collects, repairs and gives free mobile phones to domestic violence service providers to support DV victims.

The Rotary Club of Magill Sunrise is now a recognised phone drop partner – and will have a drop box for working mobile phones and chargers at our monthly Magill Sunrise Market (2nd Sunday each month).

Bring them along to the market THIS Sunday.

COFFEE AND A CHAT

Our meetings are only an hour long with much packed into 60 minutes. The members survey suggested we get together and for those who can stay on after the meetings, coffee is available downstairs at the **Daly Coffee Kick**.

GET WELL SOON

The club would like to express their best wishes to John Kennedy who is recovering from a broken ankle. We guess you will not be tripping the light fantastic anytime soon John and hope you are on the MEND very quickly.

Rotary's Vision Statement

TOGETHER WE SEE A WORLD
WHERE **PEOPLE** UNITE AND TAKE ACTION
TO **CREATE** LASTING
CHANGE ACROSS THE GLOBE
IN OUR COMMUNITIES AND IN OURSELVES

Congratulations **SUZETTE** on taking out the Jackpot prize this week.

Volunteers Needed!

We realise that not everyone has the time to commit to joining a Rotary Club. However, if you can spare a few hours to volunteer at our monthly market we would love to hear from you.

We need volunteers to help serve at the BBQ, set up and pack down the market, cook donuts, snags, fritters and bacon and egg sandwiches. Come and join our dedicated volunteers and help make a difference.

The market is held at the Campbelltown Memorial Oval on the second Sunday of the month. We run two shifts 7am-11am and 11am -3pm but can be flexible with timings.

So, if you can spend a few hours to lend a hand and support the community in which you live, then talk to us at the market next Sunday or call 0415 453 101 and have a chat.

Roster April Market, Sunday 09th JUNE	1st Shift 7am - 11am	2nd Shift 11am - 3pm
Welcome/Raffle table	Pauline	Bet
