

# THE PERILS OF PAULINE

VOLUME 28 | ISSUE 03  
1259 | 16 JULY 2024

Welcome Group 3 Rotary Community Leader, Di Clements.

## PRESIDENT'S REPORT

This week I have realised just how lucky I have been. Not because I have walked into the worst flu I've had in years, so much for the flu shot, but because all members of the club continued doing what they do best, and everything carried on as per normal without me.

The market on Sunday was a huge success and we were overwhelmed by the donations of goods for the homeless that arrived on our doorstep by our community supporters. It goes to show we can make a difference if we pull together.

PP Lindsay has delivered blankets, coats, beanies and all donations to where they need to be. In addition, we will be making cash donations to Hutt St Centre and Vinnies from money raised at the barbecue.

I was particularly sorry I wasn't well enough to present Meryl Hayward with honorary membership to our club. Meryl has been a staunch volunteer at our market for quite some time and it was fitting we recognise her commitment to our club and Rotary.

Honorary membership is a prestigious recognition bestowed upon exceptional individuals who have made significant contributions to Rotary and society. Meryl has indeed lived up to this and we thank her for serving at the barbecue on market days. ***Congratulations Meryl!***

I hope you enjoy your journey with our club.

Thank you to those who made sure Tuesday's meeting ticked along and to those who have helped me compile this Bulletin.

**Keep warm and stay away from the flu – it's not fun.**

Toodles!

**Pauline**

## GUEST SPEAKER – DI CLEMENTS

Di Clements has had a fascinating working life. It has allowed her to teach around the world; return and work in regional education offices; and recently take on a leadership role in a school.

She also has made the most of every opportunity to be involved in Rotary since joining Norwood Rotary almost 10 years ago.

Di is continuing as our Rotary District's Learning and Development Chair and has also become the inaugural Group 3 Community Leader.

The latter role aims to help our community group get the very best out of our Regionalisation changes.

The aims were clear and the benefits substantial. Inevitably, the path and timing are not as clear - in fact, it was acknowledged these may be messy.

None-the-less, it was great to have some insight to the approach and templates that will help clubs plan for successful outcomes in their Community Group. We also had an opportunity to ask and discuss some thought-provoking questions.

A detailed **Planning Workshop** is scheduled later this month. So, stay tuned.

And if you haven't already noticed, the District Governor's newsletter has been replaced by a publication called **'In Unison'**.

An email with the publication was sent to all Rotarians on Thursday 11<sup>th</sup> July 2024, by Rotary Pacific (the new name for our region).

Thank you, Di, for your commitment and enthusiasm to help our Community Group thrive.

### FLASH BACK.

The last dinner of Group 8 clubs at the home of District Assistant Governor Area 8 Elizabeth Gagliardi before Regionalisation came in.

Thank you, Elizabeth, for a very pleasant evening and great food.

## QUIZ QUESTION

Apologies for another question related to America, but the shocking events of the weekend steered me in a new direction. Unfortunately, we all know that the USA has a long history of violence against their leaders and four Presidents have been assassinated in their history. Lesser know is that three have now been wounded in assassination attempts including Donald Trump. Who were the other two?

### ANSWER:

Pretty much everyone knew Ronald Reagan, but none knew that Theodore Roosevelt was also a victim, shot in the chest while campaigning in 1912. The bullet was slowed by his folded speech and his metal glasses case but did penetrate his chest where it remained for the rest of his life. He defiantly continued his speech and instructed the police that no harm must come to the perpetrator, John Schrank. Schrank was found mentally insane and was committed to an institution until his death 30 years later.

Reagan's attacker John Hinckley Jr was inspired to kill the President by the film Taxi Driver where he became obsessed with Jodie Foster and wanted to impress her. He had originally been targeting Jimmy Carter, but then took to Regan in 1981 firing six shots with only one bullet hitting him. Hinckley was also found mentally insane and committed to an institution coincidentally also for 30 years until his death. There have been 39 other attempts to assassinate Presidents dating back to 1835. The most were against Obama with eight, followed by Clinton five, with Trump and Ford now equal on three 3. GW Bush, Carter, Nixon, Truman, Franklin Roosevelt, Taft & Lincoln had two each.

## ICE BREAKER

This time we got down to the hugely divisive question: cats or dogs?  
No fence sitting or each way bets allowed.

**Responses:** Fortunately, the discussion was very civil, and dogs just narrowly beat cats as the preferred pets. That was mainly based on experience and is pretty representative of Australia in general where 40-50% of homes have a dog and 25-30% have a cat. Some would have said both if they could, so in the end it seems both types of Australia's favourite pets are not lacking friends.

## OUR NEWEST HONORARY MEMBER – MERYL HAYWARD

At the July market, we were delighted to award Honorary Membership in our club to Meryl Hayward. Meryl has been a long-time volunteer and supporter of the Magill Sunrise Market.

Along with Meryl's many talents, she always brings a joyful smile, laughter and chatter whilst delivering super-efficient service to our customers.

It was a pleasure to recognise the significant contribution Meryl makes to the success of this community event.

## PRESIDENT'S "DID YOU KNOW?"

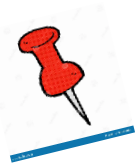

July marks the centenary of two icons.

The **Caesar Salad** invented by Italian chef Caesar Cardine on the 4<sup>th</sup> of July 1924 in Tijuana, Mexico, and closer to home, the **Stobie Pole**.

The **Stobie Pole**, a South Australian icon, was patented by James Cyril Stobie on the 15<sup>th</sup> of July 1924.

## PLEASE NOTE THE CHANGE

### NEXT MEETING: 06 AUGUST CHANGE OF VENUE

A visit (and breakfast) at John & Made's **Perfect Blend Coffee Café**.

This is a semi-casual catch-up (accompanied by a good feed + coffee) and some story telling (remembering that what happens in the Café, stays in the café).

You are also welcome to have a little sleep-in. Please note the start time is 7:15am.

## OUR MONTHLY MARKET – 14 JULY. BENEFICIARY THE HOMELESS

**Wow!** Our invitation for donated blankets and warm clothing, resulted in a huge overflowing box of warmth.

These will now be donated to help homeless people through this hard winter.

In addition, we will be making cash donations to Hutt St Centre and Vinnies.

**Thanks so much to our community for your support.**
